# Welcome Message

**Dear Esteemed Colleagues,**

**A Warm and Heartfelt Welcome to SOGOG Leadership Summit 2026!**

It is our immense pleasure to welcome you all to the SOGOG Leadership Summit 2026 – Vision 2030, on **29 November 2026 in Ahmedabad, Gujarat.**

This special gathering brings together healthcare professionals and leaders with a shared commitment to **advancing women's healthcare and building a healthier future for Gujarat.**

The Summit features an important CME session on **"Severe PPH: From Rapid Recognition to Life-Saving Intervention,"** focusing on timely diagnosis, effective management and critical interventions to improve maternal outcomes.

Through scientific learning, meaningful round table discussions and collaborative leadership, we aim to address key healthcare challenges and develop practical, measurable solutions towards **Vision 2030.**

Your presence and active participation will make this gathering a valuable platform for knowledge sharing, collaboration and positive change.

**Together, let us transform knowledge into action, strengthen maternal healthcare and create a healthier tomorrow for every woman.**

**Welcome to Ahmedabad! Together Towards a Healthier Gujarat – Vision 2030!**

Warm regards,
**Team SOGOG Leadership Summit 2026, Ahmedabad**

**Dr Alpesh Gandhi**
President, SOGOG

**Dr Hemant Bhatt**
Convener, SOGOG

# ROUND TABLE DISCUSSIONS
# VISION 2030

**Objectives of the Round Table:**

- Develop a shared vision and actionable roadmap for Gujarat's women's healthcare priorities.
- Identify initiatives that SOGOG and its affiliated societies can implement at state, district and local levels.
- Strengthen professional solidarity, research, technology adoption and leadership capacity.
- Define measurable targets, responsible committees and a monitoring mechanism through 2030.

**Proposed Round Table Agenda:**

- Maternal Mortality Reduction: How to achieve MMR < 25 by 2030 and achieve zero preventable maternal deaths.
- Genetic Disorders: Making Gujarat free from thalassaemia and sickle cell anaemia by 2030.
- Cervical Cancer Elimination: Accelerating Gujarat's progress aligned with WHO goals by 2030.
- Violence Against Girls and Women: From awareness to action.
- Violence Against Healthcare Professionals: Addressing mob violence, strengthening rapid response teams and promoting fraternity unity.
- Research Development: Building research aptitude and strengthening research support for SOGOG members.
- Digital Transformation in Healthcare: Enhancing technological and digital literacy, skills and access for SOGOG members.
- Adolescent Healthcare: Addressing preventable adolescent health problems and avoiding health risks among adolescents.
- Strengthening Conference Governance: Defining the scope, roles and responsibilities of the Conference Conduct Committee.
